Welcome to the 2017 school year. We have had a fabulous start with all students returning to school with an eagerness to learn. We are excited to welcome our Kindergarten students, Billy, Eli, Teddy and Zalee who have settled in to school routine beautifully. These four students will be joined by Garnet next week.

We are also excited to welcome our Year 7 students who are commencing the next step of their educational journey. Mae, Mikayla, Jackson and Jack, have also settled into Secondary school routines very easily.

Welcome also to Mr Jamie Gordon who joins us as Head Teacher Access. Jamie is a local at heart and is returning to the area after spending time in Ballina as a PDHPE teacher. His local knowledge and extensive experience will be of great benefit to all students in the Access Partnership and particularly to our students at Ardlethan Central School.

This year our school will continue its HOW2learn journey with staff and students working together to develop Higher Order Ways of learning in particular focusing on the habits of Self Regulation, Responsibility, Reciprocity, Resourcefulness and Reflectiveness.

If at any time you have any suggestions or concerns please do not hesitate to contact the school, we are all part of these students education.

Make space for what matters....
